Key Features

- High Durability Fans
- Heaters with Thermostat
- LED Illuminated Lightbox
- 8mm Anti-Vandal Tempered Glass
- Available for Floor Mounts
- Easy Monitor-TV Mounting

Cletech M5D Series Double-Sided Totem Enclosure is the solution you are looking for with superior features and affordable prices. With a two-legged design structure, the ground connection is minimized, and wind resistance is reduced. It is designed to run smoothly in all weather conditions and is resistant to dust, moisture, extreme heat, or extreme cold. 8 mm "extra clear" glass was used on the surfaces in front of the screen. It can also be ordered with anti-reflective glass on request.

It is fully compatible with many original monitors, mainly Samsung, LG, Philips, NEC, DynaScan. It offers easy service and maintenance. It has free air intake with filters and powerful output fans that can operate 24/7 for air conditioning. In addition, ventilation in the enclosure is supported by aluminum heaters with thermostats.

Standart Display Sizes
