# 2-in-1 Design

Instantly connect to your phone, tablet or computer with convenience and ease. The iVoice H300 provides plug-and-play simplicity and reliability every time whether connecting with the 3.5mm audio plug or USB-A.

## Super Noise Canceling Mic

The advanced noise-canceling mic technology that clearly captures your every word, the iVoice H300 makes every meeting better.

Boomless and beautifully designed, the beamforming mic is positioned on the left earbud to focus exclusively on your voice while suppressing unwanted sounds from open workplaces, cafes and other noisy environments. Speak and be heard clearly wherever you work with wired earbuds built for business.

# No-look In-line Control

Control the call with volume up/down and mute buttons. A round and flexible cable resists tangles. Control is always at your fingertips.

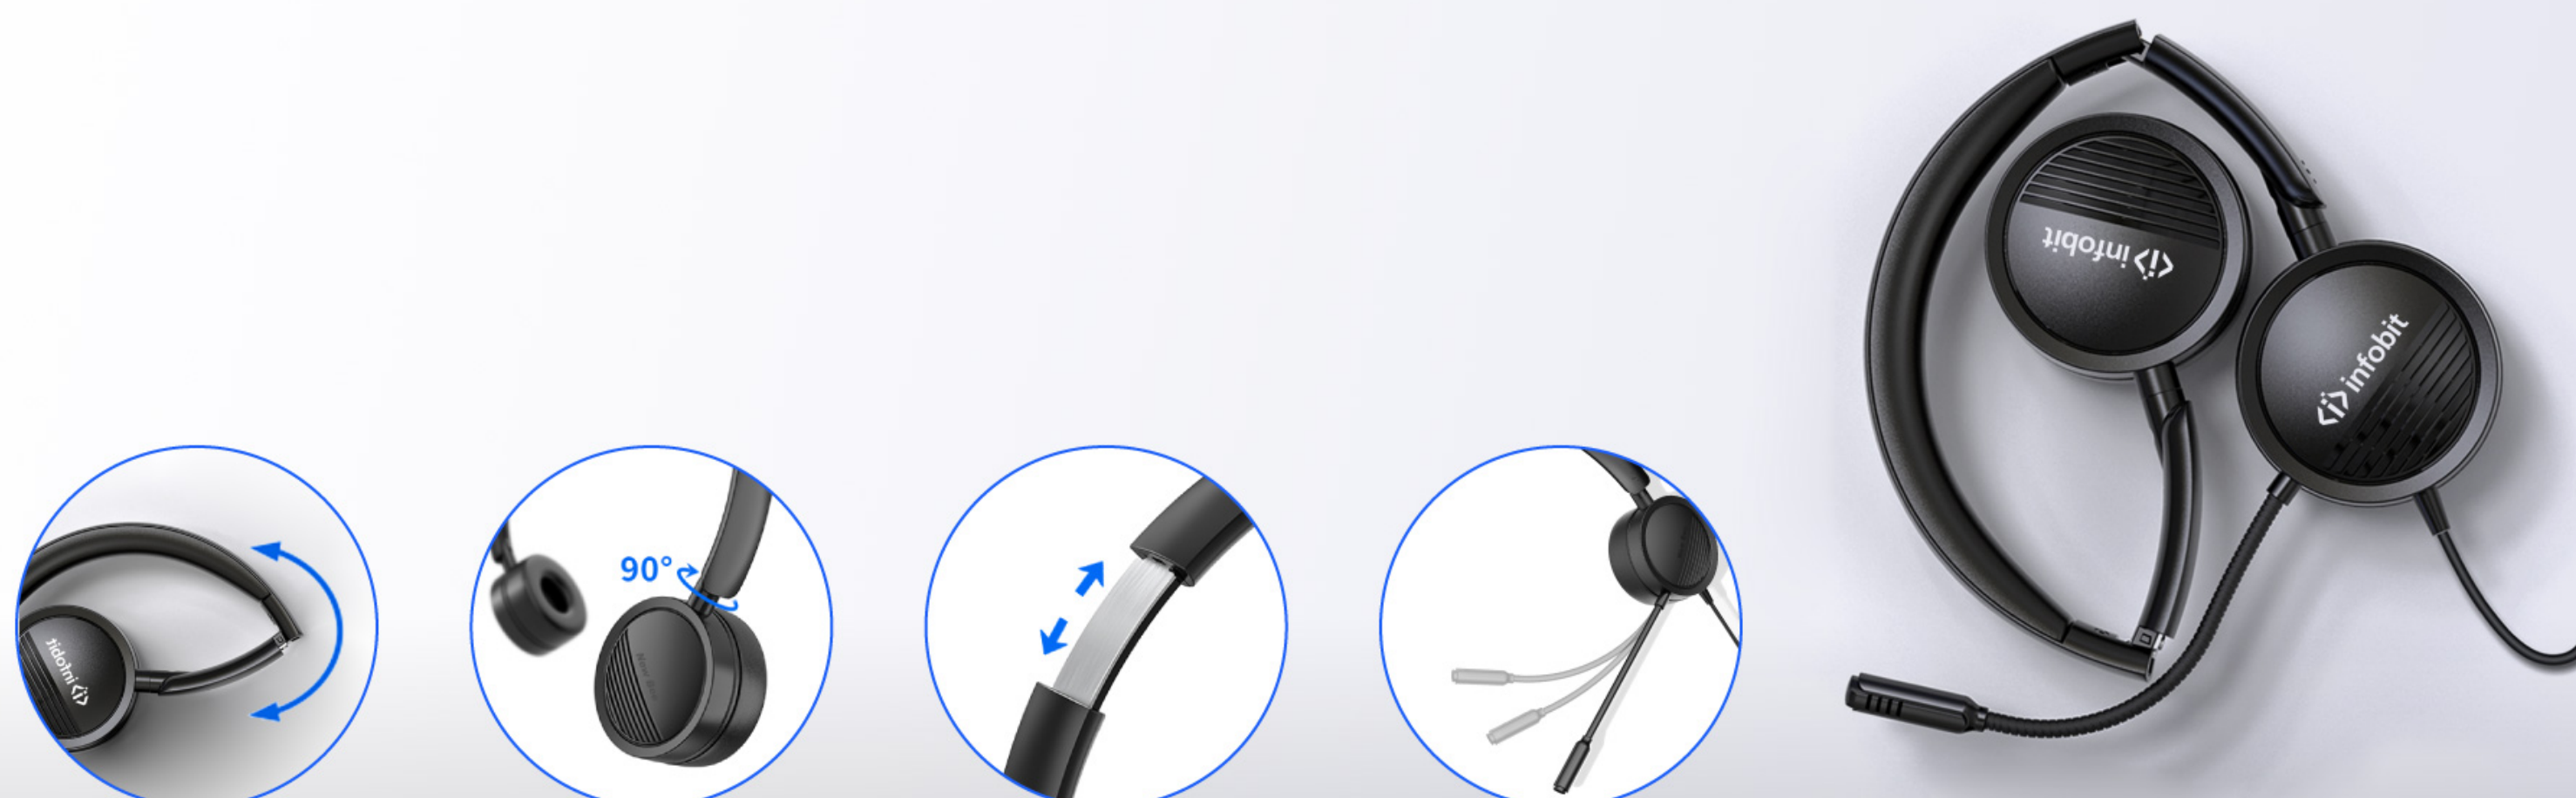

## Comfortable and Long-lasting

Business people on the phone for hours will enjoy the comfort of this headset. Stylish, lightweight design and durable materials mean you can wear the H300 all day. Leatherette ear pads, plus padded headband with metal reinforcement provides strength and flexibility, with a fit that feels just right.

## Stylish Foldable Design

The pair of stylish headphones that folds up for easy portability and storage makes for the best of both worlds. The best foldable headphones all offer great sound quality and are comfortable enough to wear for hours.

# Datasheet
