

VSM652

SWING ARM WALL MOUNT

FOR 30-47" SCREENS

The VSM652 swing arm wall mount is dedicated to screens ranging from 30" to 47". This mount is made of aluminum arms with cables routed inside to ensure smart installation and aesthetic appearance. The design is adapted to frequent changes in the position of the screen, so it is a perfect solution for places where the position of screens is often changed. VSM652 has the possibility of rotating the screen to the right and to the left by 65° and tilting the screen by +11°, which allows the position of the screen to be adjusted the user's expectations and increases the comfort of use.

- Modern design and aesthetic finish of the wall mount
- 65°/65° right-left screen rotation
- Possibility of tilting the screen +11°
- Durable aluminum structure
- Cable routed inside the arm
- VESA universal standard

PRODUCT SPECIFICATIONS

Short index	VSM652		
Category	Swing Arms Wall Mounts		
Product group	Display Mounts		
Colour	Black		
Warranty	Limited 5-years		
Number of screens	1		
Minimum screen size	30"		
Maximum screen size	47"		
Maximum load	36 kg		
Forward tilting	+11°		
VESA Mounting Compatibility	100×100 up to 600×400		

Compliant

65°/65° right-left screen rotation

Possibility of tilting the screen +11°

Cable routed inside the arm

VESA universal standard
