

# EWB250c-B

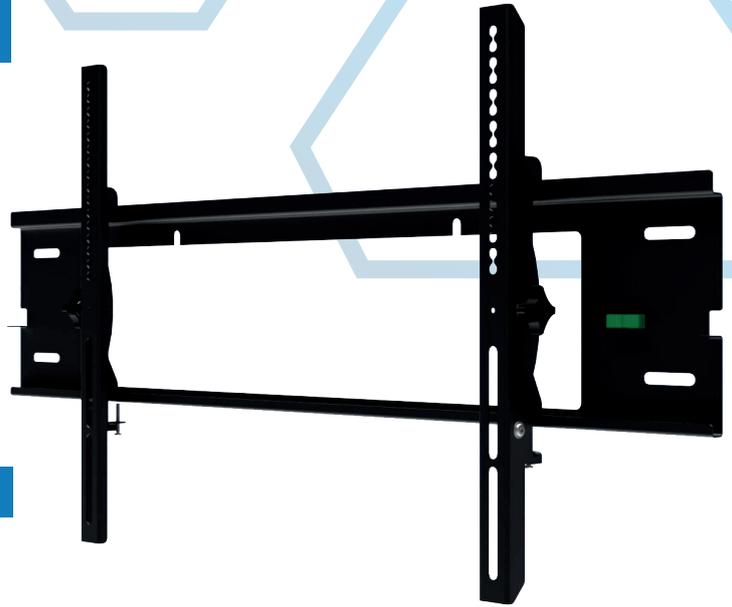

## UNIVERSAL TILT WALL MOUNT

FOR 40"-65" SCREENS

The EWB250c-B belongs to a series of practical and extremely functional wall mounts. Designed to fix the screen on the wall in a very solid manner. EWB250c-B is a solid flat wall mount that provides extraordinary functionality and is made in the spirit of minimalism. Fixing the mount is user friendly. EWB250c-B is very easy to use and suitable for all types of wall surfaces. What is important, it is dedicated both as an independent product as well as a component for other constructions, including conference trolleys or ceiling brackets. The mount provides screen drop protection. At the same time EWB250c-B is of solid finish and modern design, which makes it a perfect choice for conference rooms, waiting rooms or public utility spaces.

### FEATURES

- Screen protection against falling
- Robust design to ensure load capacity up to 40 kg
- Screen mounting screws included
- Lateral adjustment of the screen once mounted on the wall plate
- Suitable for installation on concrete, plaster and wooden walls
- Minimalist design and functionality
- Simple and quick installation
- Modern design
