

Ready when you are.

M Public Display Stand Cable Hooks Black

Art No: 7 350 073 730 759

Cable hooks - an accessory for the M Public Display Stand and the basic Display Stand series.

Keeping your cables together and neat when moving the Display Stand around.

These hooks are easily mounted in the rail of the pillar of the Display Stand. One hook pointing upwards

the other down. Now you can wrap your cables are wrapped around the hooks. When finish wrapping the cables are in place and the equipment is more easily moved around between rooms. A perfect solution to keep your cables neat and out of the way. Designed in Silver color to match the main pillar.
